# Green Rocker Society

## What is the Green Rocker Society?

The Green Rocker Society is a giving society of donors who make a 3-year commitment of at least \$1,000/year to YMCA Blue Ridge's Annual Giving Program.

## Why become a member?

In joining the Green Rocker Society, not only do you become part of an exclusive group of committed supporters, you also plant the seeds for a brighter future. You help sustain programs that impact lives, make possible the financial assistance that ensures those programs are open to all, and play a vital role in preparing the next generation of leaders.

## Designate your gift!

Green Rocker Society membership allows you to give to any Blue Ridge program you are passionate about. Simply name the program you want to give to on the Green Rocker pledge card, and we will ensure that your gift is directed towards impacting that program and its participants.

**“Through Blue Ridge I’ve learned that true leadership isn’t about giving orders and being “in charge” – it’s about service, giving back to your community and lifting up others.”** - Sara, Blue Ridge Program Participant
