## Join the Green Rocker Society

Our largest annual philanthropic society, the Green Rocker Society recognizes donors who give at least \$1000 a year for a minimum pledge term of three years. The Society is a three-level system that challenges you to increase your giving and pledge term to level-up to the highest tier within a seven-year period. You retain membership in this Society as long as you keep giving at these levels.

Donors at these giving levels are an integral part of our budgeting process and demonstrate a steadfast commitment to youth, family and adult programming at YMCA Blue Ridge Assembly. They are as iconic and indispensable as the real green rocking chairs that adorn our campus!
